The Vision table

This innovative product is one of our latest releases. With a sturdy, welded frame and glass top, the students can let their imagination fly while they draw and write on the glass top. All it takes is a wet cloth and the table is clean and ready for another session of debating and genius inspired notes and designs.

Students of all ages—from kindy to senior high find this table an inspirational work tool.

Mobile on the heavy-duty lockable castors.

Pen holder in centre of table for white board pens included.
